INTRODUCTION

Hi, I'm a former web developer turned writer with 15+ years experience. I've designed, written and published numerous blogs, websites and e-books. I am an expert online researcher, proficient with SEO and have written about technology, enterprise security, business intelligence, content marketing, health, travel, finance and real estate. I can make any difficult subject matter easy-to-understand and enjoyable to read. Excellent references, reasonable rates. [My Freelance Writing Rates](#)
